

Camp Registration Checklist

March 1st

Tentaroo registration system opens for all units!

Scoutmasters will receive unit credentials for unit accounts

March 10th

Estimated attendance submitted to Tentaroo

- The tentaroo system requires an estimated number of participants to be entered in order to “hold” a campsite... We know you have already reserved a site via our old paper system last year. Simply choose your site and submit an estimated number of scouts. You will need to pay a \$25 per scout deposit. This deposit will be applied to your total unit fee.
- **“Why is this important?”** For our 2017 season this is how you will reserve campsites! This process will replace our \$200 site fee to reserve sites!

March 15th

Registration opens

- Full registration is available at this point. Simply put you will need to select which Scouts are coming to camp from your unit roster on the system. Once you have selected a Scout you will be able to sign him up for Merit Badge Class, COPE, PICK 5, and Kodiak Adventure!
- All schedules are final and will allow your Scouts guaranteed participation in whatever you sign them up for. Please be aware many programs have limits so register early!

May 17th

Early Bird Fee ends!

One week before the start of your week at camp...

- A Scoutmaster meeting will be held at Camp to inform you of program updates and exciting news about your week at camp!
- You will receive automatic email updates via tentaroo throughout the spring!

******What paperwork do I need for camp now that registration is online?******

- You will need the following documents for the first day of camp:
 - o Medical forms for all Scouts and Adults
 - o Parent authorization forms for all Scouts
 - o CORI and SORI forms for all Adult leadership
 - o Any medications for Scouts
