BOY SCOUTS OF AMERICA®  
 MOHEGAN COUNCIL

A Scout is Trustworthy. This program is governed by the Scout Oath and Law, and is based on pledges, not payments, at the end of the campaign. (4/30/2018)

### ***Unit Participation***

This score is calculated based on total membership as of the unit's 2018 Recharter and the total number of donations collected from Unit Presentation/Campaign.

### ***Average Gift Per Registered Scout***

This score is calculated based on total membership as of the unit's 2018 Recharter. The total unit donation collected is then divided by the number of active youth.

### ***Community Campaign Business Referrals***

This goal directly relates to the Community Friends of Scouting Campaign. Scouting is founded on the principals of community engagement and building relationships. Our programs would not be possible without the generous investment of local businesses and community leaders. Submit referrals on the supplied *Friends of Scouting Community Campaign - Referral Card*.
