Leadership Training for Youth Leaders

Course Description

National Youth Leadership Training is an exciting, action-packed program designed for councils to provide boy scout and venture youth members with leadership skills and experience they can use in their home units and in other situations demanding leadership of self and others. This course is co-ed since it is open to Venture scouts.

The NYLT course centers around the concepts of what a leader must BE, what he must KNOW, and what he must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

NYLT is a **six-day course**. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster.

Built on the legacy of past JLT successes, the new NYLT integrates the best of modern leadership theory with the traditional strengths of the Scouting experience. Through activities, presentations, challenges, discussions, and audio-visual support, NYLT participants will be engaged in a unified approach to leadership that will give them the skill and confidence to lead well. Through a wide range of activities, games, and adventures, participants will work and play together as they put into action the best Scouting has to offer.

NYLT is foremost a training program. While scouts will use their scout craft and camping skills, they will not be taught or required to have mastered them to attend.

Youth Leadership Training Continuum

Troop Leadership Training

TLT is a unit-level training program within the Boy Scouts of America led by the Scoutmaster and the Senior Patrol Leader. It is designed to improve the leadership skills of all boy leaders within a Boy Scout Troop.

National Youth Leadership Training

NYLT is a national leadership curriculum authored by the BSA and conducted at the council level. The Mohegan Council conducts this course for one week each year. It is intended to provide standardized, in-depth training covering a number of leadership ideas and skills for Boy Scouts and Varsity Scouts.

National Advanced Youth Leadership Experience

NAYLE is an advanced leadership training conducted at the Philmont Scout Ranch. Scouts will expand upon the team building and ethical decision making skills learned at NYLT.

The Trainer's EDGE

This is the required "train the trainer" course for NYLT staff members. It is meant to supplement the practice offered through NYLT staff development, with a focus on the participant, while raising the level of skill a trainer brings to the staff experience. Only practice can polish these skills, but this course is intended to "train the trainer" on behaviors and resources while offering hands-on experience in methods and media.
